**Subject:- Request to issue a certificate of Potable Water in the school.**

Sir,

1. DC Model International School is a Leading Global School functioning under the aegis of DCM Group of Schools, which is in service of education with pursuit for excellence for the last nineteen years.
2. The school has its own RO Plant to provide potable water to the students. Sufficient water coolers have been installed at various points in the school.
3. As per CBSE bye-laws, the school is required to furnish "Certificate of Potable Water" to the CBSE board.
4. Our water tanks are cleaned every month and TDS is also checked after every 15 days.
5. I request you to kindly arrange for the analysis of the samples and issuance of the report of water pot-ability. We are deputing Mr. Rajkumar for giving the sample and collection of report.

Thanks & Regards,
